Kiln

Kilns are magical warriors and guardians of the Undermind. The roots of the Undermind course with magical ether that you capture in your wooden talismans. Different woods burn with different powers, and you wield them all to turn your foes to ash.

Chaos is your home on the battlefield. Wherever the spark of opportunity presents itself, you arrive to stoke the flame. You can empower your allies to devastate your enemies. Should the need arise, however, you're well-equipped to put those who stand against you to the pyre yourself.

Basics

Starting Characteristics: You start with an Agility of 2 and a Reason of 2, and can choose one of the following arrays for your other characteristics scores:

- 2, -1, -1
- 1, 1, -1
- 1, 0, 0

Potency Characteristic: Reason
Starting Stamina at 1st Level: 18
Stamina Gained at 2nd and Higher Levels: 9
Recoveries: 10
Skills: Magic & Timescape, plus choose any two skills from the crafting or lore skill groups.

1st-Level Features

As a kiln, you gain the following features.

Cadre

Guardians of the Undermind organize themselves into different cadres. When you flare a talisman, how much of the ether turns to heat? How much turns to smoke? What color is your flame? Choose from the following:

Flameweaver: You weave through the battlefield from skirmish to skirmish like a thread in the wind. Your power guides you to where you are needed most.

- You gain the Navigate skill

Hexblaze: You are an eruption, and the battlefield will burn to ash. The explosive force of your power shatters any hope of victory for your enemies.

- You gain the Endurance skill

Smokewight: You are at once everywhere and nowhere. You slip through the grasp of your foes and you cannot be pinned down.

- You gain the Escape Artist skill

Spark

The heat of battle burns the souls of your talismans, granting you a Heroic Resource called spark.

Spark In Combat

At the start of a combat encounter or some other stressful situation tracked in combat rounds (as determined by the Director), you gain spark equal to your Victories. At the start of each of your turns during combat, you gain 1d3 spark. Additionally, you gain 1 spark whenever you use the Stoke the Flame ability targeting an ally. You lose any remaining spark at the end of the encounter.

Spark Outside of Combat

Though you can't gain spark outside of combat, you can use your heroic abilities and effects that cost spark without spending it. Whenever you use an ability or effect that costs spark outside of combat, you can't use that same ability or effect again outside of combat again until you gain at least 1 Victory or finish a Respite.

If you use an ability that lets you spend unlimited spark on its effect, such as Speed of Sound, out of combat, you can use it as if you had spent an amount of spark on it equal to your Victories.

Kit

You can use and gain the benefits of a kit. See the [Kits](#) chapter of the Core Rules for more information.

Triggered Action: Stoke the Flame

As a kiln, you gain the following triggered action. Once per round, you can spend 1 spark to use Stoke the Flame targeting yourself as a free triggered action.

<i>Stoke the Flame</i>	
<i>As an ally attacks, you harness a bit of arcane energy to grant them a decisive advantage.</i>	
KW: Magic, Ranged	Type: Triggered
Distance: Ranged 5	Target: 1 ally
Trigger: The target makes an ability power roll for an ability that deals damage.	
Effect: Apply one Stoke the Flame effect from your talisman kit granted by the Tinderbox feature.	

Stoke the Flame Cadre Benefit

When you use your Stoke the Flame ability targeting yourself, you gain the following benefit based on your cadre.

- **Flameweaver:** You can shift a number of squares equal to your Agility score.
- **Hexblaze:** You gain one surge.
- **Smokewight:** You gain temporary Stamina equal to twice your Reason score.

Tinderbox

You collect and carve wood that courses with magical ether into talismans to use in battle. Whenever you select or change your kit, you additionally select a talisman kit (See [Talisman Kits](#)). Your talisman kit grants you a signature action, a maneuver, and your Stoke the Flame effects.

Kiln Abilities

You use your talismans to bolster your allies or yourself depending on the ever-changing situation. But you're not only a mage; you're also well practiced at dealing in steel. You wield a range of abilities that combine your talents to eviscerate enemies.

Talisman Signature Ability

Your talisman kit from your Tinderbox feature grants you a signature ability. Signature abilities can be used at will.

Heroic Abilities

You heroic abilities cover a variety of combat tactics that turn up the heat of battle and are all fueled by your spark.

3-Spark Abilities

Choose one heroic ability from the following options, each of which costs 3 spark to use.

<i>Dance Like Embers (3 Spark)</i>	
<i>You dart from skirmish to skirmish leaving an ephemeral doppelganger of fire in your wake.</i>	
KW: Magic	Type: Maneuver
Distance: Self	Target: Self
Effect: You can teleport twice, each time up to 2 squares. If you are adjacent an enemy, no matter the enemy's size, you can teleport to a space on the opposite side of the enemy as one of the teleports. All 3 squares before and after your teleports count as allies for flanking enemies until the end of your turn.	

<i>Heat Wave (3 Spark)</i>	
<i>Toasty.</i>	
KW: Area, Magic	Type: Action
Distance: 1 burst	Target: All enemies
Power Roll + Reason: <ul style="list-style-type: none">• 11-: 2 fire damage• 12-16: 5 fire damage; push 1• 17+: 7 fire damage; push 2	

<i>Smoke on the Wind (3 Spark)</i>	
<i>Your body grows hazy and you briefly fade to an incorporeal state.</i>	
KW: Magic	Type: Maneuver
Distance: Self	Target: Self
Effect: You can shift up to your speed. You can pass through 1 square of solid matter as part of this movement, but you cannot end this movement inside solid matter. If you move through a square occupied by an ally, that ally gains a surge.	

<i>Wavering Flame (3 Spark)</i>	
<i>The heat of your movement plays tricks on your foes' eyes.</i>	
KW: Melee, Strike, Ranged, Weapon	Type: Action
Distance: Melee 1 or Ranged 5	Target: 2 creatures or objects
Power Roll + Agility: <ul style="list-style-type: none">• 11-: 4 damage• 12-16: 5 damage; R < average, dazed (EoT)• 17+: 7 damage; R < strong, dazed (EoT)	

5-Spark Abilities

Choose one heroic ability from the following options, each of which costs 3 spark to use.

Grasp and Immolate (5 Spark)	
<i>There may be such thing as too warm of an embrace.</i>	
KW: Magic, Melee, Strike, Weapon	Type: Action
Distance: Melee 1	Target: 1 creature or object
Effect: If the target was already grabbed, the target is burning (save ends). A burning target takes 1d6 fire damage at the start of each of their turns until the condition ends.	
Power Roll + Agility: <ul style="list-style-type: none"> • 11-: 4 + A fire damage; M < weak, grabbed • 12-16: 6 + A fire damage; M < average, grabbed • 17+: 10 + A fire damage; M < strong, grabbed 	

Rake Over the Coals (5 Spark)	
<i>They drag their feet, but they only kick up more fire.</i>	
KW: Melee, Strike, Weapon	Type: Maneuver
Distance: Melee 1	Target: 1 creature or object
Power Roll + Agility: <ul style="list-style-type: none"> • 11-: Push 3 • 12-16: Push 5 • 17+: Push 7 	
Effect: For each square you push the target, they take 1 fire damage. Squares the target is forced from as part of this ability become difficult terrain for enemies.	

Searing Strike (5 Spark)	
<i>Memory of your steel radiates oppressive heat.</i>	
KW: Melee, Strike, Weapon	Type: Action
Distance: Melee 1	Target: 1 creature or object
Power Roll + Agility: <ul style="list-style-type: none"> • 11-: 7 + A damage • 12-16: 10 + A damage • 17+: 16 + A damage 	
Effect: The target has fire weakness 5 (save ends). Until the end of the encounter, whenever the target takes damage, all adjacent creatures take 2 fire damage.	

Smoldering Sword (5 Spark)	
<i>Embers and ash rise and coalesce into a solid mass, honed to an edge and ready to command.</i>	
KW: Magic, Ranged	Type: Action
Distance: Ranged 5	Target: Special
Effect: You summon in an unoccupied space within distance an ethereal flaming sword of size 1S that can't be harmed. The sword lasts until the end of your next turn. All creatures can move through the sword's space, but enemies who move into or out of the space provoke Opportunity Attacks from you. When you use a Weapon attack, you can choose to attack from the sword's position. An attack performed in this way temporarily gains the Magic keyword and any untyped damage it deals is instead fire damage.	

2nd-Level Features

As a kiln, you gain the following features.

2nd-Level Cadre Feature

Your cadre grants you a feature as shown on the 2nd-Level Cadre Features table.
